

Driving restrictions, goods transport Ukraine

There are no driving restrictions on goods vehicles in Ukraine at night, at weekends or on public holidays.

Kiev

Since 1 May 2008, a driving ban has been introduced for trucks with a GVW of over 4.5t on the ringroad around Kiev. This ban applies every day from 7:00 to 20:00.

International goods transport vehicles are allowed to enter the city of Kiev from 10:00 to 17:00 providing that a CMR document or a TIR carnet is carried on board of the vehicle and that TIR signs are displayed correctly on the vehicle.
